Dear Ms. Davis;

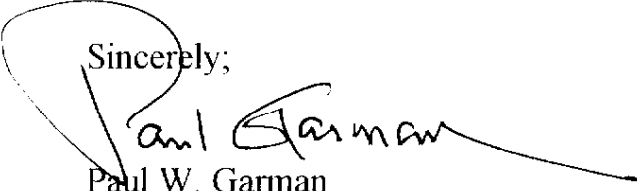

As you are well aware, the Yorktown Foundation is committed to the creation of a fitting tribute to our nation's freedom in the town and to make this "jewel" in America's crown the symbol it deserves to be.

With the approaching celebration in 2006 of the 225th anniversary of the Battle of Yorktown and in 2007 the 400th anniversary of the founding of Jamestown (at the other end of the Colonial Parkway), there is a lot that needs to be done to properly honor this truly worthy part of American History.

It is with pleasure that we fully support the York County Board of Supervisors in their efforts to secure funding for the attached resolutions. These projects, along with what the State, County, and the people in general are doing will show the world the love and respect we have for our American Heritage.

Thank you, and your staff for all your time and assistance in this matter.

Sincerely;

Paul W. Garman
Pres.
